NEW YEAR'S EVE FIESTA MEXICANA

Cocktails and bubbles to toast

Enjoy a welcome drink on arrival,
Cava just before midnight to toast to
the New Year and grapes.

Grapes at midnight

Mexico is a country of traditions, and
New Year's Eve is not the exception.
Perhaps the most popular one is to eat
twelve grapes in twelve seconds.

The grapes represent the 12 months of
the year. It's said that if you manage to
eat all the grapes your twelve wishes
will come true and you will have good
luck throughout the upcoming year.
